

Drug use can have devastating effects and lead to consequences that can **change a young person's future.**

**If you are worried your child is suffering from drug problems or their drug use could lead to dependency, there are organisations who can help.**

For friendly, confidential drugs advice **TalkToFrank.com**

# Could this be happening to your child?

Exploitation can happen to any vulnerable person or child. Have you noticed any of the following signs?

- repeatedly going missing and being found in other areas
- have new things and can't explain how they paid for them
- being secretive about who they're speaking to
- declining in performance at work or school
- showing changes in emotional or physical well-being

**Sussex Police**

**Are you concerned about drug-related  
crime in your area or think someone  
may be a victim of drug exploitation?**

We are committed to catching criminals and keeping communities safe. The information we receive from you plays a huge part in helping us to do that.
